

OMRS 2024 Convention – Update – Some great news!

You have hopefully heard that the 2024 Convention will be in Milton Keynes on 14 September 2024 (more on this to follow soon).

We have had such a positive response from our members to the news that we have decided to spoil you: we are adding a VIRTUAL CONVENTION to our 2024 offering & this will be held on 10 February 2024 as a live event, with recordings also available for those who can't be there on the day.

We are adding a Virtual Convention because not everyone can travel & because we want to reach a wider audience. We are also trying something new (a live event), to see how it works.

This is not an alternative to a physical convention – i.e., there are no plans to bin the latter, but we've some great volunteers with bags of energy so we are giving it a go!

Call for Exhibitors

Both conventions will allow members who want to, to exhibit part of their wonderful collection. We are giving six months notice for the virtual convention & a full year for the physical, as we know lots of work needs to go into these.

Physical Convention Exhibits: will be in person (i.e., bring it with you), on the day in Milton Keynes.

Virtual Convention Exhibits: will either be static, online display as in previous years or as live presentations - we will tell you how!

What we need now!

If you are interested in Exhibiting in the first instance please email convention@omrs.org stating clearly whether you wish to exhibit at the VIRTUAL or the PHYSICAL convention & we will be in touch.
